INSTITUTION'S INNOVATION COUNCIL (IICs)

INSTITUTION'S INNOVATION COUNCIL

Institution Innovation Council (IIC) an Initiative of MHRD for selected Higher Education Institutes

ABOUT IIC

Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are in formative years.

MIC has envisioned encouraging creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses. It is our proud privilege to announce that State Institute of Hotel Management, Siddhpur, Gujarat has been selected to establish the council in 2023.

The IIC council of SIHM, Siddhpur has continued their efforts to establish and inculcate a culture of Innovation and Entrepreneurship among the students and faculty members of the college by bridging the gap by establishing a connection between the real-world Entrepreneurs and Innovators and students at the college.

Major Focus of IIC

Major Focus of IIC is -

- ✓ To create a vibrant local innovation ecosystem
- ✓ Start-up/entrepreneurship supporting Mechanism in HEIs
- ✓ Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework (ARIIA)
- ✓ Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas
- ✓ Develop better Cognitive Ability amongst Technology Students

Functions of Institution's Innovation Council

- Promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus.
- ✓ To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bounded fashion.
- ✓ Identify and reward innovations and share success stories.
- ✓ Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- ✓ Network with peers and national entrepreneurship development organizations.
- ✓ Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.
- ✓ Organize Hackathons, idea competition, mini-challenges etc., with the involvement of industry.

Benefits to Institute, Faculty and Students

- ✓ No major capital investment required for establishing IIC as it will make use of existing local ecosystem.
- ✓ Students/Faculty associated with IIC will get exclusive opportunity to participate in various Innovation related initiatives and competitions organized by MHRD.
- ✓ Win exciting Prizes/Certificates every month.
- ✓ Meet/Interact with renowned Business Leaders and top-notch academicians.
- ✓ Opportunity to nurture and prototype new ideas.
- ✓ Mentoring by Industry Professionals.
- ✓ Experimentation with new/latest technologies
- ✓ Visit new places and learn a new culture.

The IIC council of SIHM, Siddhpur has continued their efforts to establish and inculcate a culture of Innovation and Entrepreneurship among the students and faculty members of the college by bridging the gap by establishing a connection between the real-world Entrepreneurs and Innovators and students at the college.

- Council Structure: The council is further subdivided into various cells focusing on the specific area for better coordination and focus on conducting various kinds of events and workshops throughout the year. The cells under the IIC are:
- Innovation Cell- Primary responsible for organizing and coordinating after Innovation promotion activities and extend support to other activities.
- Start-up Cell- Primary responsible for organizing and coordinating after Start-up promotion activities and extend support to other activities.
- Internship Cell- Primary responsible for organizing and coordinating after Internship opportunity and engage student in Start-ups, innovation labs and incubation centre etc. to promote innovation activities and extend support to other activities.
- IPR Cell- Primary responsible for organizing and coordinating after IPR mentoring, awareness opportunity to promote innovation activities and extend support to other activities.

Social Media Cell- Primary responsible for organizing and coordinating after social media promotion and public relation and effectively communicating regarding various activities undertaken to promote innovation activities and extend support to other activities.
